Windsor Nursery School

EARLY YEARS PUPIL PREMIUM

Autumn Term 2018

Total amount expected per pupil **Autumn 2018**: 53p x 15hrs x 14wks = £101.30p

Number of children claimed for Autumn Term 2017 = 31 out of 55 3and 4yr olds on roll = 56% EYPP

Autumn Term 2017 anticipated income: £3140.30

What barriers to learning are these children experiencing?

These vary according to individual needs.

1. We have identified that 9 EYPP children (5 morning and 5 afternoon) need extra time to support a calm introduction to nursery and separation from parents. This bespoke support is given by the key person and also Early Years Practitioner
2. 10 EYPP children (3 morning and 7 afternoon) need bespoke EAL support and help with developing their early communication skills.
3. 11 EYPP children need extra stretch (6 morning and 5 afternoon)– these children show potential to be high fliers in their learning and this will be supported with book sharing opportunities using more complex stories linked to their interests, to instil a love of books

What interventions are being funded by EYPP to overcome these barriers?

Bespoke daily input from a skilled Early Years Practitioner or, where appropriate, additional capacity enable the key person to offer individual focus for a child or small group.

Cost: £3140.30 contribution towards funding this specific EYP3 role.

How will these be measured?

These will be measured through the impact on these children's developmental progress in areas related to the barrier identified:

1. Through progress in Personal, Social and Emotional Development (Managing feelings and behaviour)
2. Through progress in Communication and Language (Listening and Attention and Understanding)
3. Through Communication and Language (Speaking) and developing enthusiasm for books and stories.

IMPACT September - December 2018 to follow.
