

## HAPPY NEW YEAR 2019 TO ALL OUR CHILDREN & FAMILIES AT WINDSOR

We hope you all had a lovely Christmas (and Father Christmas brought you what you wanted!) And wish you all the very best for 2019. We would like to say a really warm welcome back to you all. We would also like to welcome our new children and parents just starting with us and hope that you will also soon feel part of the Windsor family.

**Here are a few notes to help you as we all settle back into a new term.**

**LEARNING JOURNEYS**– Thank you very much for all your contributions in your child’s learning journey. It really helps us to share together with you in your child’s learning. All contributions – a simple note or photos are all very welcome and helpful.

**LIBRARY DAYS** – We know that the love of books is vital in helping children to develop into competent readers. In order to support this we have a library system available within nursery. Each family group has a day when they can choose and change their library books. Please return your child’s book on that day each week.

Tuesday – **Lynn**  
Thursday – **Kay**

Wednesday – **Sharon**  
Friday – **Rachel/Dal**

**RHYMES and ACTIONS** –We shall shortly be putting a new set of rhymes, which we are using in Oak into your child’s learning journey. We know that many parents are using them with your children. It is a simple way that really helps children develop their language, counting and memory skills. Copies are available on the website too at

[www.windsorcentre.com](http://www.windsorcentre.com)

**PHONE NUMBERS**- Please ensure that we can contact you/ carer at all times while your child is at nursery for safeguarding purposes – such as if your child is taken ill, has an accident at nursery or is late being collected. **If you change your phone number, it is vital to let us know** by informing Clare or Becky at reception who will be able to update your records.

**LEARNING IN THE OUTDOORS** – You will know that we recognise the importance of children’s play and learning in the outdoors and we are supporting other settings to develop the learning in this area too and so ensure the children have regular access to the outdoors. Check out our **website** for the reasons why it is so important under our **about us** tab under **learning and in our blog**.

We provide wellies, fleeces and waterproofs. We also have some gloves and hats however if you want to provide a hat and gloves for your child please ensure they have their names in them and that your child recognises them.

It is a very good independence skill if children can begin to help dress themselves ready for play and learning in the outdoors. The children are so pleased when they can say ‘I did it! They also are starting to help each other too. Thank you for your support in helping them to develop these life skills.

**SPARE CLOTHES** – we always welcome trousers, pants and socks that the children have grown out of. When you have a sort through at home, please pass them on to us. Thanks
