

## **ATTENDANCE**

OFSTED February 2018 have suggested Windsor continues to build on the strong relationship with parents to ensure that more children attend more regularly to get the most out of their rich learning experience at Windsor.

We expect that children attend all sessions where possible

**We ask all parents/carers that in accepting a fully funded place for your child at Windsor that you make a commitment to ensure your child attends each session unless they are unwell**

We understand that children who are new to a nursery environment are likely to be unwell at times and need to be cared for at home while they are ill

**PLEASE INFORM WINDSOR ON 01902 558128** if your child is away from nursery and give the reason

Children who have sickness and/or diarrhoea must be kept off school for 48 hours.
